

Thank you for downloading the  
Romantic Acrostic!

All you have to do is cut it in half, and  
simply fill out the sheet. Write out your  
own romantic words next to each letter.

Use words that remind you of places  
you've gone together, cute jokes you share,  
or descriptions of what you love about  
your sweetheart. Be creative and if you  
need help a Thesaurus is a great tool!
